

ENVIRONMENTALLY FRIENDLY AND FAIR TRADE PRODUCTS DELIVERED TO YOUR DOOR

## WHAT'S NEW

We are now a registered member of the **Lancashire County Council Help Direct Safe Trader Scheme**. This important initiative provides a measure of reassurance to vulnerable customers, and we are delighted to be involved. Customer feedback is sought and made available on the Help Direct Safe Trader website.

- **Price rise information** We now show price rises and offers or reductions with an arrow ↑ or ↓ next to the price. However we won't show an increase when a price is simply returning to normal after an offer – or you might think we are raising our prices all the time!
- **New products** Urtekram's children's toothpaste won't appeal to everyone as it is a non-Fluoride toothpaste, but it has exceptionally mild ingredients (no SLS) and is high in organic content. We also have compostable food caddy bags (see eating and drinking section). We plan to source a larger range of biodegradable and compostable bags in due course.
- **Greetings cards** Following our introduction of Cards From Africa last year, we are delighted to have made these wonderful cards a regular part of our range. We now have **Valentine's, Mothers' Day and Easter** cards, as well as a great range of cards for birthdays and other occasions. See our FaceBook gallery for images, or call in at the Mill if you need a beautiful, ethically manufactured card. Cards from Africa are hand made by orphaned young people in Rwanda.
- **Lavera prices** will rise on 1 March 2012. If you are a regular Lavera customer, or even if you just want to try some products out, you may want to time your next purchases to beat the price rise!
- **Bulk ordering** We can offer a 10% discount on RRP for any product ordered in whole case quantities from our supplier Suma. This can include products outside our normal range and we can also alert you when products are on offer. For the moment, this service is for local customers only. Please contact us for information.

## EARTH FRIENDLY PROMOTION

Our ever-popular **Parsley Plus** kitchen surface cleaner is on offer throughout February along with all other **Earth Friendly** products in 500 ml bottles – ten products in all, with 20% off the usual price! We have testers for all these at Galgate Mill, so do come and find out why we like these products so much.

## BABY CLOTHING OFFER!

We are offering a minimum 25% discount on all our full-priced baby clothes while we re-structure our business for a baby re-launch later this year – current stocks only – more details to follow, but meanwhile if you see anything on our website or FaceBook page which is not already discounted, please do call for a price.

## DISCOUNTS & FREE DELIVERY EXPLAINED

We offer a 5% discount to customers who collect their orders from our Galgate Mill premises. This applies to our regular price non-food consumable products: **household cleaning products and supplies, toiletries, cosmetics** and so on. It does not apply to food products, gift items or sale items. These products are already priced 'to go' (very often at a substantial discount to our online price). There is no minimum order for free local delivery on items which would qualify for the discount. Otherwise, there is a minimum order of £5 to qualify for free delivery.

## FORTHCOMING EVENTS

Some way in the future, but already looking forward to it!

**23 & 24 June** Truly Scrumptious Craft Fair with over 100 stalls plus Entertainments – Pavilion Theatre, Winter Gardens Blackpool. Free entry.
